Yes. Come one. Come all. The master has retreated to his chamber for the evening. Join me in the library for a rendezvous you won’t soon forget! Whether your skin is piercing as your mustache turns into the hands of a clock, or your face is melting as you sweat candlewax, all creatures of the night are welcome!

**COOKIE BOY**  
An evil sea witch ripped out her vocal cords!

**SCARY GODMOTHER**

Oh. That is maliciously macabre! Fear not, freaks! The master's library is filled with stories so gruesome, so grotesque, and so viscerally vile you will soon forget about your trying troubles.

**SCARY GODMOTHER**

Come, children. Gather 'round the fire, won't you?

**WOODEN BOY**

What are you holding, Scary Godmother?

**SCARY GODMOTHER**

This? This is one of my favorite books in the master's collection. It's called "Scary Tales," and just like all of us, it appears this book is also under some sort of curse.

**COOKIE BOY**

How so, Scary Godmother?

**SCARY GODMOTHER**

Well, every time I open it, it seemingly never runs out of diabolically disturbing adventures. I'm always finding something new.

**WOODEN BOY**

Can you read us a story, Scary Godmother?

**COOKIE BOY**

Please?

**SCARY GODMOTHER**

Why, I'm devilishly delighted you asked. Creatures of the night, welcome to Scary Tales!

**ST SCRIPT #1 "The Ginger-Dead Men"**

**SCARY GODMOTHER**

Now, here's a story that sounds sickeningly sweet. It's called "The Ginger-Dead Men." Our story follows The Baker, who is about to learn that if he can't take the heat, he really should get out of the kitchen.

**SOUND 6 "Wind"**

[https://www.youtube.com/watch?v=PI80L79r\\_04](https://www.youtube.com/watch?v=PI80L79r_04)

---

**SCARY GODMOTHER**

It was the holidays, and The Baker found himself baking alone in his kitchen on that cold, windy night.

**SOUND 7** "Toaster Oven Ding"  
[https://www.youtube.com/watch?v=KS85lRtO\\_pk](https://www.youtube.com/watch?v=KS85lRtO_pk)

---

**SOUND 8** "Man Crying"  
<https://www.youtube.com/watch?v=57uuLUM7OE>

---

**SCARY GODMOTHER**

The Baker sobbed. This would be his first Christmas without his lovely wife, Margerie.

**THE BAKER**

Margerie. Can't believe you're gone. This place is falling apart without you.

**SOUND 9** "Kneading Dough"  
<https://www.youtube.com/watch?v=6BFNvEFOXvg>

---

**SCARY GODMOTHER**

As The Baker continued kneading the cookie dough, he realized he had forgotten something. Something he would need to help him create his famous ginger-bread men.

**THE BAKER**

Where is my knife?

**SCARY GODMOTHER**

The knife glistened in the corner of The Baker's eye, telling him he'd left his knife by the sink.

**THE BAKER**

Marge, I can't even think straight without you. Can't remember where I've put anything!

**SCARY GODMOTHER**

But, just as things were starting to get better...

**SOUND 10** "Man Screaming"  
<https://www.youtube.com/watch?v=w6kGLuiSgKA&t=3s>

---

**SCARY GODMOTHER**

The Baker dropped the knife on his finger, cutting himself. After all of the screaming, all of the torture, and the sheer amount of pain he received from the cut, The Baker finally found a bandage.

**THE BAKER**

Jesus Christ, that hurt like hell.

**SCARY GODMOTHER**

However, what the poor Baker failed to realize was that, during his agonizing episode, a tiny drip of blood had fallen into the bowl of cookie dough. Suddenly, as he was putting the cookie-dough into the oven, lightning struck!

**SOUND 3** "Lightning Strike"  
<https://www.youtube.com/watch?v=dYuxVKD6vng>

---

**SCARY GODMOTHER**

Shocked by the noise, The Baker collapsed to the floor, where he remained passed out for several hours. Unfortunately for The Baker, the ginger-bread cookies were left to burn.

**SOUND 11** "Burning"

<https://www.youtube.com/watch?v=Oj3n7iPzhvE>

---

**SCARY GODMOTHER**

Hours later, The Baker finally woke up from his stunned slumber. He was confused, and rather than checking the kitchen to see if anything was out of the ordinary, he decided it was time to head home.

Had he checked the oven, he would've realized the ginger-bread men were all missing.

The Baker headed to the kitchen door.

**THE BAKER**

Gotta go home. Get some sleep. That'll help, I think. Maybe get a beer on the way back.

**SOUND 12** "Crash"

<https://www.youtube.com/watch?v=oaU5GLfJcnw>

---

**THE BAKER**

What was that?

**SCARY GODMOTHER**

It was, at that moment, when the baker realized.... He was not in the kitchen alone.

**THE BAKER**

Is someone there? I'm warning you! I'm armed....

**SCARY GODMOTHER**

...The Baker said as he held up a wooden spoon. He continued to hear more crashes and bangs coming from the various dark corners of the room.

First, the baker checked the counter. Nothing. Followed by the fridge and the stove areas. Nothing. Was he simply going mad?

**THE BAKER**

(sighs). I'm simply going mad! Yes! That's it! I was right! I really do need a drink.

**SCARY GODMOTHER**

The Baker turned around and opened the door to leave. His footsteps began to crinkle in the snow.

**SOUND 13** "Walking On Snow"

<https://www.youtube.com/watch?v=Bi80FWVjiS0>

---

**SCARY GODMOTHER**

But as he walked away, The Baker remembered...

**THE BAKER**

Rats! Forgot to close the door. I...

**SCARY GODMOTHER**

The Baker turned around. Fortunately for him, the door was closed.

**THE BAKER**

Oh, thank God. Thought I'd forgotten.

**SCARY GODMOTHER**

UNFORTUNATELY, it was not HE who closed it. Turning back around, The Baker was shocked to find a horde of living, deformed gingerbread men standing at his feet.

**SOUND 14** "Monster"

<https://www.youtube.com/watch?v=VsSnXbwf4x4>

---

**THE BAKER**

Sweet Jesus!

**SCARY GODMOTHER**

Without a second thought, the criminal cookies knocked the poor Baker to the ground. Crippled and weak, The Baker stared in horror at the half-melted faces of the cookies that held him captive.

With The Baker hog-tied on the ground, the cookies slowly dragged him through the snow and back towards the bakery.

**SOUND 15** "Heavy Object In Snow"

<https://www.youtube.com/watch?v=|O1oAyE7sYO>

---

**SCARY GODMOTHER**

In agonizing pain, the cookies dragged the baker through the kitchen. Using every ounce of strength in their tiny little bodies, the cookies threw the poor Baker into the furnace, where he learned just how badly he'd let his cookies burn.

**SOUND 11** "Burning"

<https://www.youtube.com/watch?v=Oj3n7iPzhvE>

---

**SCARY GODMOTHER**

The End.

**In-Between**

**SCARY GODMOTHER**

Oh my. That was quite a story, wasn't it?

**COOKIE BOY**

I'll say. I am a cookie, you know.

**SCARY GODMOTHER**

So?

**COOKIE BOY**

Well, we're not ALL like that. I'm a snickerdoodle. I would never do gingerbread-men things.

**WOODEN BOY**

I have a question.

**SCARY GODMOTHER**

What is it, child?

**WOODEN BOY**

So, in this this group of gingerbread cookies, there are women too, right?

**SCARY GODMOTHER**

I suppose so. Why?

**WOODEN BOY**

So why is the whole group referred to as "gingerbread MEN"?

**SCARY GODMOTHER**

Kid, I don't make the rules. I just read the stories.

**WOODEN BOY**

Well, can you read us a story where the women get a chance to shine?

**SCARY GODMOTHER**

Of course. Of course. Now, let's see. Ah yes! This little ditty is called "Lep-Rechaun-Sy." Let's have a listen!

**ST SCRIPT #2                    "Lep-Rechaun-Sy"**

**SCARY GODMOTHER**

This is the story of Lucy the Leprechaun.

**SOUND 12                    "Crowd Talking"**

<https://www.youtube.com/watch?v=gB89jREpqNU>

---

**SCARY GODMOTHER**

Everything and everyone in the town of Snooty-ville was perfect. Everyone had money. No one had any problems. You were either as handsome as a prince or as beautiful as a princess, unless of course, you were Lucy the Leprechaun, who was neither.

Lucy was truly one of the ugliest creatures known to mankind. At the age of ten, she was banished to a prison in the top of a tower because she was just so ugly. Like really ugly. Like, missing three toes, half a nose, and six teeth kind of ugly.

No matter what she did, her body parts just kept falling off.

**SOUND 13                    "Flesh Ripping"**

<https://www.youtube.com/watch?v=fJe3r5tJMk8>

---

**SCARY GODMOTHER**

Now, obviously one can't be locked up in a tower for years on end without finding some way to entertain themselves. It was during this time that Lucy began singing, and you know what? She was actually pretty good at it.

Every night, Lucy would open her window and sing for all of the townsfolk who continued to let her rot in her high-top prison.

**SOUND 14 "Female Vocal"**

<https://www.youtube.com/watch?v=dXYIomP9mMs>

---

**SCARY GODMOTHER**

She sang her beautiful song for the townsfolk every night. However, no one ever came to her rescue, because even though it had been years since they'd seen her, her ugliness was enough to make even the noblest of men stab their own eyes out.

Since no one came to her rescue, Lucy never felt the need to maintain any sense of hygiene. Now, if her looks weren't enough to ward people off, her stench would certainly do the job.

Aside from her voice, the only beautiful thing about Lucy was her golden hair. She never got it cut, so after years and years, her hair grew so much that it stretched all the way from out her window onto the green grass below.

**SOUND 15 "Horse Trotting"**

<https://www.youtube.com/watch?v=jilujtwFOjg>

---

**SCARY GODMOTHER**

Then, one afternoon, a naïve prince without a care in the world was searching the kingdom for a maiden worthy of his affection.

**NAÏVE PRINCE**

I am a naïve prince without a care in the world, searching the kingdom for a maiden worthy of my affection!

**SCARY GODMOTHER**

As he trotted through the kingdom on horseback, he announced just what kind of woman he was looking for.

**NAÏVE PRINCE**

I'm seeking a woman with the most beautiful golden hair, and a wonderful singing voice...

**SCARY GODMOTHER**

He was about to get his wish.

**NAÏVE PRINCE**

A woman so beautiful that a man would stab his own eyes out and put them back in, just so he could look at her for the first time again.

**SCARY GODMOTHER**

Again, the prince was very naïve. Suddenly, he heard Lucy's voice coming from her tower.

### NAÏVE PRINCE

Doth my ears deceive me? Do I hear the call of a fair maiden far off in the distance? Fear not, beautiful, sexy seductress! Your equally sexy prince awaits you!

### SCARY GODMOTHER

The prince and his horse quickly trotted to the bottom of Lucy's tower. Stepping off the horse, the prince smiled as he held Lucy's golden hair in his hand.

### NAÏVE PRINCE

Oh thank God she's not blonde.

### SCARY GODMOTHER

The prince began climbing Lucy's hair up the side of the tower.

### NAÏVE PRINCE

Your troubles are over, damsel. For once I have rescued you, we will share our sexiness with the rest of the world.

### SCARY GODMOTHER

At that moment, the prince reached the top of the tower, only to find himself face to face not with a beautiful woman, but with his worst nightmare.

### SOUND 16 "Suspense"

<https://www.youtube.com/watch?v=KUOUqMlf00k>

---

### NAÏVE PRINCE

OH MY GOD! YOU'RE NOT SEXY!

### SCARY GODMOTHER

The prince was horrified by Lucy the Leprechaun's hideous looks. Shocked with fear, the prince continued to hold onto her hair as he tripped and fell out the window.

### SOUND 17 "Slip and Fall"

<https://www.youtube.com/watch?v=Aa-ZIXJdDW4>

---

### SCARY GODMOTHER

As the prince fell, Lucy's head popped off of her body. Several townsfolk witnessed the prince fall to his ugly, gruesome death, while Lucy's head hung off the ledge of her windowsill.

However, although the prince was squashed like a tomato, his journey was not for nothing. Lucy the Leprechaun taught him a valuable lesson. Even ugly people can have looks that kill.

The End.

## **In-Between**

### SCARY GODMOTHER

Quite awful, don't you think? Still, Lucy should consider herself lucky.

### COOKIE BOY

Why is that Scary Godmother?

**SCARY GODMOTHER**

Could you imagine, having a prince fall for you just because you have a wonderful singing voice?

**SOUND 3**

**“Vomit”**

<https://www.youtube.com/watch?v=UnDhyWnHPD0>

---

**SCARY GODMOTHER**

Oh, that’s right. I’m sorry, little mermaid.

**WOODEN BOY**

It must really suck to be her.

**COOKIE BOY**

Hey, wait a minute. If we’re not under water, how is she..

**SOUND 18**

**“Fish Flapping”**

<https://www.youtube.com/watch?v=wY4R32Xq6gI>

---

**SCARY GODMOTHER**

Someone call the chef. We might be having seafood tonight.

**COOKIE BOY**

That’s disgusting.

**WOODEN BOY**

For real.

**SCARY GODMOTHER**

(laughs) I know. I know. I’m sorry. You know, I think there is one more story we can tell tonight. It’s about the world’s most famous princess!

**COOKIE BOY**

Who is that, Scary Godmother?

**SCARY GODMOTHER**

Why, Snow White, of course!

**WOODEN BOY**

I love this story!

**COOKIE BOY**

It’s one of my favorites!

**SCARY GODMOTHER**

Now, children, this story is called “Snow White is a Severed Corpse.”

**COOKIE BOY**

I feel like this isn’t what we were expecting.

**SCARY GODMOTHER**

Shhh! Let’s begin.

**ST SCRIPT #3**

**“Snow White is a Severed Corpse.”**

**SOUND 19****“Dream Harp”**

[https://www.youtube.com/watch?v=SPUpsb\\_L6Z4](https://www.youtube.com/watch?v=SPUpsb_L6Z4)

---

**SCARY GODMOTHER**

Deep in the enchanted forest, the seven dwarves were thrilled to have Snow White living with them in their cottage. Before she arrived, the cottage was a mess, but each and every day, the princess made sure all the chores got done around the house. She particularly loved to bake cookies.

**SOUND 20****“Baking Cookies”**

<https://www.youtube.com/watch?v=C5KcdwGSvbw>

---

**SNOW WHITE**

These taste delicious! It was so nice of that baker to give me his recipe! I'll have to ask him for his gingerbread cookie recipe around Christmas!

**SOUND 7****“Toaster Oven Ding”**

[https://www.youtube.com/watch?v=KS85lRtO\\_pk](https://www.youtube.com/watch?v=KS85lRtO_pk)

---

**SCARY GODMOTHER**

Her apple pie was finished baking. Snow White took it out of the oven and gave it a taste.

**SNOW WHITE**

Hmmm... It's good, but it's missing something. I think it needs more apples! After all, an extra apple never hurt anybody!

**SCARY GODMOTHER**

The irony in that statement would come to light the next morning, as the dwarves headed downstairs, ready for another day of working in the mines. Upon reaching the bottom of the stairs, the dwarves were mortified to find Snow White's dead corpse lying at their feet, an apple in her right hand. Had someone tried to poison her?

**STUMPY**

What ever shall we do?

**DOC**

I really don't know.

**PISSY**

Aren't you a doctor?

**DOC**

I'm a chiropractor... So, no.

**DITSY**

Well, we can't just leave her body here to rot all day. What should we do?

**DOC**

Well, I guess... It's off to work we go.

**SCARY GODMOTHER**

In the depths of depression, the dwarves lifted Snow White's body off the ground, and carried her with them as they journeyed off to the mines for another long day at work. All through the day, the dwarves drank the heaviest of ale as they picked away in the mines.

**SOUND 21** "Drinking"

[https://www.youtube.com/watch?v=YOL\\_IYWKSII](https://www.youtube.com/watch?v=YOL_IYWKSII)

---

**SOUND 22** "Pickaxe"

<https://www.youtube.com/shorts/sfgg7IL06sY>

---

**SCARY GODMOTHER**

After a long day of drinking, crying, and pickaxing, the dwarves came to a horribly horrific realization. They had spent the entire day not picking at rocks but picking at Snow White's now severed corpse. Every part of her body had been mangled, from her toes to her lips. Now, the dwarves had no choice but to give her a proper burial in the forest.

**SOUND 23** "Funeral"

<https://www.youtube.com/watch?v=VzC1p-LLCyA>

---

**SCARY GODMOTHER**

The next day, the dwarves held a beautiful memorial for Snow White in the enchanted forest, and all of the woodland creatures attended. Just when they thought all hope was lost, another naïve prince arrived on horseback.

**ANOTHER NAÏVE PRINCE**

I am another naïve prince, here to rescue my fair lady, Snow White! I would also like to point out I am not nearly as naïve as my brother, who unfortunately suffered a gruesome death after falling for an ugly leprechaun woman!

**DOC**

Oh, I'm sorry. I'm afraid the princess has died.

**ANOTHER NAÏVE PRINCE**

Of course she has! The prophecy foretold of this event.

**DOC**

I'm sorry. What prophecy?

**ANOTHER NAÏVE PRINCE**

A charming prince like me... Again, much more charming than my brother, who died... Is to come to Snow White's rescue, and bring her back to life, through the power of a kiss on the lips.

**DOC**

Uh oh.

**ANOTHER NAÏVE PRINCE**

Now, let me gaze into the cold, dead eyes of my beautiful lady.

**STUMPY**

I didn't know princes were into necrophilia.

**SCARY GODMOTHER**

The prince pulled back the cover on Snow White's coffin, only to receive the surprise of his life.

**ANOTHER NAÏVE PRINCE**

What is the meaning of this? Where are her lips? Where is her face?

**SCARY GODMOTHER**

Enraged, the prince realized the dwarves were responsible for this unfortunate tragedy. Seeking revenge, he brandished his sword, and stabbed each of them one by one.

**SOUND 24                      “Sword Stab”**

<https://www.youtube.com/watch?v=GngaDqZ80Io>

---

**SCARY GODMOTHER**

And from that day forward, home from work, the dwarves would never go.

The End.

**TAG**

**WOODEN BOY**

You know, Scary Godmother, these stories are pretty messed up.

**COOKIE BOY**

Seriously. How can you read these things?

**SCARY GODMOTHER**

I don't know. They put a sort of sinister smile on my face.

**SOUND 25                      “Bell Tower Ring”**

<https://www.youtube.com/watch?v=s3OcyhYXnEU>

---

**COOKIE BOY**

Oh no! The master!

**WOODEN BOY**

He's awakened!

**SCARY GODMOTHER**

Quick children! Head back to your chambers! And remember, you can always find me haunting the master's library. Never forget, there are always more chapters in the book of Scary Tales.

**THE END.**
